Online Services

A. Transactions that may be Conducted Using the Online Services. You may use the Online Services to access your Certified Federal personal accounts online. These activities are limited to the extent noted herein and in the Master Account Agreement and Disclosure governing your Certified Federal accounts. Through the Online Bill Pay service, you can pay bills either on an automatic, recurring basis or periodically as you request. You must provide us with the name and address of the Payee (i.e., the party to be paid), your account/reference number (if any) with that party and any other information we require to properly debit your Account with us and credit your account with the Payee. Payments can be made to any legal entity within the U.S. and its territories. You may not make any alimony, child support, tax, or other governmental or court-ordered payment using the Online Bill Pay service. Please allow five (5) business days for processing the information. If you wish to add or delete Payees, you may make these changes online through the Online Bill Pay service. You authorize us to make all changes you submit through the Online Bill Pay Service or that are submitted by any other person having access to your Online Services User ID, Electronic Password, and Account information. Our Online Services allow you to:

- Withdraw funds from your account(s) or your personal line of credit made by Certified Federal check issued in the name of the member appearing first on the Account Signature Card and mailed to your address of record;
- Make transfers of funds among and between your accounts;
- Make balance inquiries;
- View copies of cleared checks;
- Review transaction history for up to the last six (6) months;
- Make loan payments by transfers from my share account, checking account or money market account;
- Make Online Bill Payments to preauthorized creditors; and
- Communicate directly with us via an online messaging center.

B. Limitations on Frequency and Dollar Amount of Transactions.

1. Withdrawals from your share account(s) or checking Account(s) or loan advances on your Personal Line of Credit, whether by check or transfer to other accounts are not limited in terms of minimum or maximum dollar amounts per transaction except as listed below.
2. All withdrawals and transfers from a share or checking account are limited to the extent of clear funds available in the account.
3. All loan advances are limited to the amount available from your Personal Line of Credit.

4. Because regulations require the Credit Union to limit preauthorized transfers (including online banking transfers), the following limitations apply:

All Share Accounts and Money Market Share Accounts. You can make no more than six (6) transfers per statement period by preauthorized or automatic transfer or by telephone or online banking.

C. Specific Information about Online Bill Pay.

1. Online Bill Pay Service. When you sign up for the Online Bill Pay Service, your Share Draft Checking Account will be used as your Online Bill Pay Account. You may make Online Bill Pay Payments in any amount between \$0.01 and \$25,000.00. When you schedule a bill payment using Online Bill Pay, you authorize us to withdraw the necessary funds from your Share Draft Checking Account. We may refuse to act on your instruction if sufficient funds, including funds available under any overdraft plan, are not available in your Share Draft Checking Account on the date we attempt to process payment. We reserve the right to enforce minimum and maximum payment amounts different from those listed here.

2. Processing Online Bill Pay Payments. You must allow sufficient time for the Payee to receive and process the payment before the payment due date (the due date shown on your invoice or provided in your agreement with the Payee, not taking into account any grace period provided by the Payee). If you do not allow sufficient time, you will assume full responsibility for all late charges, finance charges, or other actions taken by the Payee. To ensure that your payments arrive on time, you must schedule payments to be processed at least five (5) business days before the payment due date for payments sent by check and at least two (2) business days before the payment due date for payments sent electronically. This generally allows sufficient time for the Payee to receive and post the payment. We are not responsible for postal delays or processing delays by the Payee. The cutoff time for processing bill pay requests is 11:00 a.m. Pacific Standard Time. In an effort to prevent erroneous duplicate payments, if you schedule multiple payments for the same amount to the same payee on any given day, we will process only one of those payments.

When you add Payees to the Online Service, you must enter your account/reference number and address as they appear on the relevant payment stub or invoice. Occasionally a Payee may choose not to participate in the services, or may require additional information before accepting payments electronically. We work with these Payees to encourage them to accept an electronic or check payment from Certified Federal. If we are unsuccessful, or if we believe that the Payee cannot process payments in a timely manner, we may decline to make future electronic payments to that Payee. In the unlikely event that this occurs, we will send you a notice. We may always refuse to make payments to certain Payees.

3. How Online Bill Pay Payments are Made. We process all payments you make through the Online Services by either sending an electronic transmission to the Payee or by mailing a draft to the Payee, based on the information you have provided to us regarding the Payee. Please note that Payees who receive electronic delivery will receive your payment information, including the Account number, through a computer link. Please also note that drafts (i.e., paper checks) sent to Payees will be printed with your name, address, account number, payment date and payment amount. Electronic payments are generally received and credited by most Payees within two (2) business days. All drafts drawn on your Account are mailed through the U.S. Postal Service. Draft payments are generally received and credited by most Payees within five (5) business days.

4. Stop Payments. If you want to stop or change individual payments or preauthorized recurring payments you have instructed us to make, you must notify us by calling (888) 545-9828 before we have started processing the transaction. You must access the appropriate function in our Online Bill Pay service before 11:59 p.m. on the day before the business day the payment is scheduled to be withdrawn from your Account, and either delete it or make the change. (NOTE: In Online Bill Pay, the date you indicate as the "send on" date is the date the funds will be withdrawn from your Account and is NOT the date the Payee will receive your payment). We will charge you \$15.00 for each stop payment order you make. If you order us to stop a preauthorized recurring payment one (1) business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages. Expedited payments or payments designated as "Today" transactions cannot be stopped, cancelled, or changed.

Parties' Rights and Responsibilities

A. Your Rights and Responsibilities.

1. Authorized Use of Online Services by Other Persons. You are responsible for keeping your User ID, Password and Account data confidential. We are entitled to act on transaction instructions received using your Password, and you agree that use of the Password will have the same effect as your signature authorizing the transaction. If you authorize other persons to use your Password in any manner, said authorizations will be considered unlimited in amount and manner until you have notified us in writing that you have revoked the authorization and changed the Password. You are responsible for any transactions made by such persons until you notify us that transfers by that person are no longer authorized and we have a reasonable opportunity to act upon the change of your Password.

2. Report Unauthorized Transactions. You must notify us immediately if you believe that the Password has been lost or stolen or that someone has transferred or may transfer money from your Account without permission or if you suspect any fraudulent activity on any Account.

3. Your Liability for Unauthorized Transactions. Please notify us AT ONCE if there is reason to believe the Password has been lost or stolen. Telephoning is the best way of limiting your possible losses. If you tell us within two (2) business days after you discover your Password or other means to access your Account has been lost or stolen, your liability is no more than \$50.00 should someone access your Account without permission. If you fail to notify Certified Federal within two (2) business days, it is possible that you could lose all the money in your Accounts plus the maximum overdraft line of credit. If you do not notify us within two (2) business days after learning of the possible loss or theft of the Password, and we can prove that we could have stopped someone from using the Password without your permission if we had been notified, you could lose as much as \$500.

If your statement shows electronic fund transfers that you did not make or authorize, you must inform us at once. If you do not tell us within sixty (60) days after the FIRST statement was mailed or delivered to you, you may be liable for the full amount of the loss if we can prove that we could have stopped someone from making the unauthorized transaction. If a good reason (such as a long trip or a hospital stay) kept you from notifying us, we may extend the time periods.

4. Resolving Errors or Problems. If you believe that a statement or receipt is incorrect or if you need more information about a transfer listed on the statement or receipt, contact us as soon as possible. We must hear from you no later than sixty (60) days after the FIRST statement on which the problem or error appeared is sent to you. We will need the following information:

Your name and Account number;

A description of the error or transfer about which you are unsure, and an explanation of why you believe it is an error or why more information is needed; and

The dollar amount of the suspected error.

If you notify us orally or by electronic communications, we may require that you send us your complaint or question in writing within ten (10) business days. We will inform you of the results of our investigation within ten (10) business days (20 business days if the transfer involved a new account; i.e., account opened for 30 days or less) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account or a foreign-initiated transfer) to investigate the complaint or question. If we decide to do this, we will credit your Account within ten (10) business days (20 business days if the transfer involved a new account) with the amount you believe is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put the complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your Account. If we decide that there was no error, we will send you a written explanation within three (3) business days after we finish our investigation. You may request copies of the documents that we used in our investigation.

5. Indemnification. You agree to indemnify, defend and hold us, our affiliates, directors, officers, employees and agents harmless against any third party claim, demand, suit, action or other proceeding and any expenses related to the Online Services.

6. Failed or Returned Transactions. In using the Online Services, you are requesting Certified Federal to make payments on your behalf from your Account. If we are unable to complete the transaction for any reason associated with your Account (for example, there are insufficient funds in your Account to cover the transaction), the transaction will not be completed. You agree that:

(a) You will reimburse the Certified Federal immediately upon demand the transaction amount that has been returned;

(b) You will reimburse Certified Federal for any fees imposed as a result of the return;

(c) You will reimburse Certified Federal for any fees it incurs in attempting to collect the amount of the return from you.

B. Our Rights and Responsibilities. If you provide us with timely, complete, correct and accurate information and we do not then accurately complete a transfer to or from your Account or if we fail to cancel a transaction as properly requested or in the correct amount according to our agreement with you, we are liable for your losses or damages as provided in this Agreement. There are some exceptions to our liability for processing transactions on your Accounts. For example, we will not be liable:

1. If, through no fault of ours, you do not have enough money in your Account to make the transfer;
2. If the transfer would go over the credit limit on your overdraft line, if any;
3. If a legal order directs us to prohibit withdrawals or transfers from the Account;
4. If circumstances beyond our control, such as interruption of telephone service or telecommunication facilities, natural disaster such as fire or flood, or handling of payments by a third party, prevent the transfer, despite reasonable precautions taken by us;
5. If you have not provided us with complete and correct payment information, including without limitation the name, address, account number and payment amount for the Payee on an Online Bill Pay payment;
6. If you have not properly followed instructions for using the Online Services;
7. If your operating system or software was not properly installed or functioning properly;
8. If you, or anyone authorized by you, commits any fraud or violates any law or regulation;
9. If there is a hold placed on your Account, or if access to your Account is blocked, in accordance with Certified Federal and Online Banking policy; or
10. If we have a reasonable basis for believing that unauthorized use of your Password or Account has occurred or may be occurring or if you default under this Agreement, the deposit account agreement, a credit agreement or any other agreement with us, or if we or you terminate this Agreement.

OUR SOLE RESPONSIBILITY FOR AN ERROR IN A TRANSFER WILL BE TO CORRECT THE ERROR, BUT IN NO CASE WILL WE BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES.
