

2023
HAPPY NEW YEAR

President's Message

We're here to serve you!

In 2022, our year began with the relocation of our San Diego branch, moving it downstairs, inside the same Vons store. The photos below show its beautiful new look! Our next project was a remodel of our main branch lobby in El Monte. We have now updated all of our branches, to better serve you. Please stop by and check them out!

Both the economy and our members worked to recover from the Pandemic; inflation and rising interest rates were the driving economic factors in 2022. As members ventured out again, their appetites for spending created record-setting loan volume. We are looking forward to 2023 with the hope that inflation slows, and demand for jobs continues to be strong. We are proud to serve you as one of the strongest credit unions in the nation!

Happy New Year!
