

Successful 76th Annual Meeting

We are thrilled to share the success of our 76th Annual Meeting, a celebration filled with laughter, music and great food. This year's event brought together our members in a festive atmosphere that highlighted not just our accomplishments, but also the strength of our credit union family.

Held at our El Monte Main Branch, our annual event was a joyful reminder of what makes our credit union so special, you, our members.

Thank you to everyone who attended! We look forward to celebrating with you again next year!

Two Great New Products: Zelle and ID Protection

Zelle is Coming to Certified Federal

Exciting news for our members! Certified Federal Credit Union is bringing you a faster, easier, and more secure way to send and receive money through Zelle!

What is Zelle?

Zelle is a convenient way to send money directly from your Certified Federal Credit Union account to friends, family, and trusted contacts, with no cash or checks needed!

Protect What Matters Most: Your Identity

We're excited to offer our members access to ID Protection, a new service designed to help safeguard your personal information. With identity theft and data breaches on the rise, this tool helps give you peace of mind by offering:

- Credit monitoring and alerts
- Real-time ID theft notifications

This protection will be available through your online banking experience. It's just one more way we're working to keep you and your finances safe.

Stay tuned for more information!
