Be Cautious of Fraudsters

A Certified Federal employee will NEVER ask you for your LOGIN credentials.

Spoofing is another type of fraud. The fraudster will use an email, text message or phone call that appears to be from our credit union, or from someone you know, but in reality it's fictitious. These fraudsters use sophisticated technology to make you think that the communication is legitimate and coming from a trusted source.

The fraudster hopes to convince you to download malicious software, send money or share private account information with them. A Certified Federal employee will NEVER ask you for your LOGIN credentials.

Christmas Club Accounts

For all Members who have been saving for holiday shopping, your money will be automatically transferred into your checking account on Wednesday, November 1 (or be accessible through your savings account if you don't have a checking account). If you would prefer a paper check, just give us a call by Tuesday, October 24.

Don't have a Christmas Club Account? Open one today and start saving for next year's holiday season!
