

IN LOVING 
Memory
Donna Simpson

It is with profound sadness we announce the passing of our Executive Vice President, Chief Operating Officer, Donna Simpson.

On Friday, August 23, Donna tragically succumbed to injuries sustained in a cycling accident.

Donna was a Leader at the Credit Union for the past 20 years and she was instrumental in our growth and success. She also had a prior leadership role at Vons, where she made a lasting impact for over 25 years. Donna's warmth, her genuine ability to connect with others, and her unwavering respect for everyone made her truly one of a kind.

We all loved Donna and will always remember and miss her! 

Donna had a special place in her heart for education, the Western Association of Food Chains (WAFC) Scholarship Fund, and the remarkable work of City of Hope. In lieu of flowers, those wishing to honor Donna's memory are encouraged to donate to either or both of these causes.
